Knowledge of State Classification and Compensation Process. Experience with AASIS or SAP software.

POSTING DETAILS:

Position Location:

City: Little Rock, Arkansas

Office: Little Rock Central Office

Division: Human Resources

Job Summary:

The Classification and Compensation Manager is responsible for conducting job analysis and providing personnel-related assistance to the Commission. This position is governed by state and federal laws and agency policy.

Typical Functions:

Conducts job analysis by gathering and analyzing job-related information, writing classification specifications, deriving the knowledge, abilities, and skills necessary to perform a job, and preparing supporting documentation. Conducts research and prepares narrative and statistical reports explaining findings and job audits to determine and recommend proper classification. Analyzes occupational group structure to determine whether all jobs have been adequately identified and whether the descriptions for various levels of a job reflect a valid difference in responsibility, knowledge, and ability. Provides assistance to divisions concerning a variety of personnel-related activities, policy clarifications/interpretations, and budget processes by explaining procedures, discussing needs, reviewing requests, conducting job analysis, and preparing recommendations. Acts as project leader for assigned special projects. Performs other duties as assigned.

Specific Duties and Responsibilities:

NONE

Certificates, Licenses, or Registrations:

NONE

Special Job Dimensions:

May require occasional in-state and out-of-state travel.

Other Specific Information:

All applicants are subject to a criminal background check.

Applications must include complete work history and references.

As an equal opportunity employer, the Commission will make any reasonable accommodations necessary to ensure equal employment opportunities.
