### **POSTING DETAILS:**

#### Position Location:

City: Springdale

Office: Ozark Highland Nature Center

Division: Education

Job Summary:

The Maintenance Technician is responsible for overseeing and participating in the maintenance and operation of facilities and equipment. This position is governed by state and federal laws and agency policy.

Typical Functions:

Develops preventative maintenance schedules for facilities and equipment and participates in overall planning by providing information and advice concerning equipment status, maintenance replacement, or purchasing needs. Performs skilled and semi-skilled tasks, including building wooden structures, replacing faulty plumbing fixtures, repairing broken pipes, replacing electrical fixtures and receptacles, welding broken parts, rebuilding small motors, overhauling carburetors, tuning up vehicles, operating power tools, pouring and finishing concrete, and servicing refrigeration units. Reports maintenance and repairs needed in maintaining facilities. Prepares employees work schedules, trains new employees, and recommends disciplinary actions, as needed. Maintains records and prepares reports including vehicle utilization, equipment history, and materials purchased. May operate a waste water treatment facility by monitoring equipment to ensure proper operation, making repairs, taking samples, and completing reports. Performs other duties as assigned.

Specific Duties and Responsibilities:

The selected individual will be responsible for planning and participating in the maintenance and daily operations of the nature center. General Job duties will include operation and maintenance of the facilities, preventive maintenance, grounds upkeep, equipment use and care, including vehicles, tractors, and UTV managing tools and supply inventory, and assisting with on-site and off-site special events. Other duties will include assisting with care of indoor exhibits and aquariums, assisting with nature center programs and events, light janitorial services as needed, and other duties as assigned.

Certificates, Licenses, or Registrations:
