Preferred Knowledge, Abilities, and Skills:

N/A

## **POSTING DETAILS:**

### Position Location:

City: Yellville

Office: Fred Berry Conservation Education Center on Crooked Creek

Division: Education

### Job Summary:

The AGFC's internship program allows students to gain practical experience and meet hands-on training requirements necessary to earn their degrees and gain valuable career-oriented experience.

### Program Goals and Opportunities:

The AGFC Internship program is designed to help students gain education and practical experience related to the conservation work AGFC performs and to meet hands-on training requirements necessary for students to earn their degree. This training is critical to students pursuing a conservation career and is often the deciding factor in gaining employment after college.

### Typical Functions:

Inspects forest lands for damage by insects or disease, assists in implementing plans or recommendations for control measures, and prepares plans for site preparation or improvement of planting, harvesting, marketing, or wildlife use. Conducts or assists in conducting research on collected samples, such as fish, blood, water, soil, and plant species, and examines animals and specimens to detect diseases or other problems. Conducts agricultural and forest management activities on wildlife management areas, including preparing seed beds and plant foods; selects and marks trees for thinning and/or logging utilizing soil erosion control measures and maintains waterways, dams, and ponds. Monitors and inspects public and private wildlife to ensure compliance with state regulations and trains various personnel in activities, such as fire safety, accident prevention, and maintenance and calibration of scientific and technical equipment. Gathers, provides, and presents general and forestry educational information and training to various federal, state, local health officers, community organizations, and the general public. Provides technical support and services for scientists and engineers working in fields, such as agriculture, environmental science, resource management, and biology. Assists in conducting fish and game propagation and maintenance activities, including monitoring of spawning, hatching, incubation, sexing, and feeding. Prepares reports pertaining to wildlife findings, conclusions and recommendations. Cleans, maintains, prepares, and supplies work areas. Performs other duties as assigned.

### Specific Duties and Responsibilities:

Duties will include wildlife/conservation exhibit development as well as outside learning space development of trails, pond, and archery range areas. Some program development and teaching will also be included.

This internship will provide an excellent opportunity for anyone interested in becoming an outdoor educator, program manager, or facility manager. Opportunities to learn about facility maintenance, day to day operations, as well as program development, public outreach, hunting, fishing, and being active in the outdoors will be abundant.

### Certificates, Licenses, or Registrations:

NONE

Special Job Dimensions:

Internships are no more than 400 hours for 10 weeks amounting to roughly 40 hours per week at a rate of \$12.75 per hour. Intern positions will be available through June, July, and August. Flexible work schedules can be established with your division supervisor.

**REQUIRED DOCUMENTATION:**

Please upload and attach to this application:

1. A current resume.
2. A one-page cover letter to include goals, interests, and how an AGFC internship will help accomplish those goals.
3. A copy of your unofficial or official college transcript(s). Official transcripts will be required prior to employment start date.

**IF THESE DOCUMENTS ARE NOT ATTACHED YOUR APPLICATION WILL BE DETERMINED INCOMPLETE UNTIL THEY ARE RECEIVED.**

If you are unable to attach your documentation you may email them to NYKKI.ALLRED@AGFC.AR.GOV, attention with the position name and position number in the subject. All documents must be received by March 31, 2023.

Other Specific Information:

Internships are no more than 400 hours for 10 weeks amounting to roughly 40 hours per week at a rate of \$12.75 per hour. Intern positions will end tentatively before August 31, 2023.

All applicants are subject to a criminal background check.

As an equal opportunity employer, the Commission will make any reasonable accommodations necessary to ensure equal employment opportunities.
