POSTING DETAILS:

Position Location:

City: Little Rock

Office: Little Rock Central Office

Division: Wildlife Management

Job Summary:

The Arkansas Game and Fish Commission (AGFC) Division Assistant Chief is responsible for overseeing division operations. This position is governed by state and federal laws and agency policy.

Typical Functions:

- Directs the activities of a medium to large-sized professional and technical staff through lower-level supervisors, including approving hire recommendations, reviewing performance evaluations, evaluating the performance of immediate subordinates, and reviewing and approving/disapproving a variety of recommendations of subordinates
- Resolves problems referred by field personnel in areas such as program development, employee relations, scheduling, management techniques, public information, and strategic planning
- Evaluates and determines the progress of projects and programs through field inspections and compiles reports with recommendations for the review of division chiefs. Identifies problem areas and monitors the progress of projects and programs through field inspections and compiles reports with recommendations for the review of division chiefs
- Reviews and approves division bills, invoices, and activity reports and may request further explanation of actions and purchases
- Compiles data as requested for special projects or programs such as program performance and expenditure reduction and recommends courses of action as indicated from analysis of data
- Performs other duties as assigned

Specific Duties and Responsibilities:

Functions as an Assistant Chief of the Wildlife Management Division (WMD). Provides general guidance and direction to WMD professional, technical and administrative staff. Works closely and effectively with the Chief and other Asst. Chiefs in formulating and implementing programs and actions designed to accomplish Division and Agency goals. Works effectively with Agency personnel in all Divisions, professional contacts and interagency partners to maximize the effectiveness of the Division's activities toward achieving objectives of the agency's strategic plan. Responsible for promoting the appropriate professional development and continuing education of WMD staff. Coordinates the development of annual work plans and budgets. Responsible for keeping current on wildlife and habitat management principles, practices, and issues of importance to the State through appropriate use of current professional literature, continuing educational opportunities, and cultivation and maintenance of professional contacts and partnerships. Establishes and maintains good relations with the general public as called upon through appropriate conduct of daily duties and regular contacts with organized conservation and wildlife-oriented recreational groups, community and civic groups, etc

Certificates, Licenses, or Registrations:

Must possess a valid driver's license.

Special Job Dimensions:

Regular in-state travel and occasional work other than normal office hours are required.

Other Specific Information:

Work location to be determined in coordination with selected candidate.

As an equal opportunity employer, the Commission will make any reasonable accommodations necessary to ensure equal employment opportunities.
