POSTING DETAILS:

Position Location:

City: Mountain Home

Office: Mountain Home Field Office

Division: Fisheries

Job Summary:

The AGFC Internship program is designed to help students gain education and practical experience related to the conservation work AGFC performs and to meet hands-on training requirements necessary for students to earn their degree. This training is critical to students pursuing a conservation career and is often the deciding factor in gaining employment after college.

Typical Functions:

To be determined by the hiring supervisor.

Specific Duties and Responsibilities:

Assist Fisheries District 2 and the Black Bass Program with multiple aspects of district work during summer internship.

Work activities will include: lake/pond fertilization, herbicide application to control nuisance aquatic vegetation, water quality sample collection, nursery pond fish production duties, maintenance of district equipment, fish stocking, and data entry.

Certificates, Licenses, or Registrations:

None

Special Job Dimensions:

AGFC interns are paid \$13.00 per hour and work approximately 40 hours per week (no more than 400 hours for 10 weeks).

Intern positions will be available through June, July, and August. Flexible work schedules can be established with your division supervisor.

REQUIRED DOCUMENTATION:

Please upload and attach to this application:

1. A current resume.
2. A one-page cover letter to include goals, interests, and how an AGFC internship will help accomplish those goals.
3. A copy of your unofficial or official college transcript(s). Official transcripts will be required prior to employment start date.

IF THESE DOCUMENTS ARE NOT ATTACHED, YOUR APPLICATION WILL BE DETERMINED INCOMPLETE UNTIL THEY ARE RECEIVED.

If you are unable to attach your documentation, you may email it to Sharon Morris at: sharon.morris@agfc.ar.gov. Please be sure and provide the following in the email subject line: position name and position number. All documents must be received by March 31, 2024.
