- General knowledge of the Arkansas Game & Fish Commission and its agency programs and projects.
- General knowledge and skills relating to tools used for projects in outdoor gardens and flower beds
- The ability to lift 50 pounds, and work in inclement weather

POSTING DETAILS:

Position Location:

City: Jonesboro

Office: Forrest L. Wood Crowley's Ridge Nature Center

Division: Education

Job Summary:

The Maintenance Technician is responsible for overseeing and participating in the maintenance and operation of facilities and equipment. This position is governed by state and federal laws and agency policy.

Typical Functions:

Develops preventative maintenance schedules for facilities and equipment and participates in overall planning by providing information and advice concerning equipment status, maintenance replacement, or purchasing needs. Performs skilled and semi-skilled tasks, including building wooden structures, replacing faulty plumbing fixtures, repairing broken pipes, replacing electrical fixtures and receptacles, welding broken parts, rebuilding small motors, overhauling carburetors, tuning up vehicles, operating power tools, pouring and finishing concrete, and servicing refrigeration units. Reports maintenance and repairs needed in maintaining facilities. Prepares employees work schedules, trains new employees, and recommends disciplinary actions, as needed. Maintains records and prepares reports including vehicle utilization, equipment history, and materials purchased. May operate a waste water treatment facility by monitoring equipment to ensure proper operation, making repairs, taking samples, and completing reports. Performs other duties as assigned.

Specific Duties and Responsibilities:

- Maintenance of the Jonesboro Nature Center, shop, and various outer buildings
- Maintenance of native plant gardens and various other flower beds around the facility
- Maintenance of watchable wildlife areas and water features
- Maintenance of the facility grounds, trails, and public use areas
- Maintenance of equipment, such as: mowers, UTV's, tractors, and small power tools
- Documentation of maintenance duties and updating the facility manager/staff on issues and projects
- Assist other staff with maintenance issues on animal enclosures and educational exhibits

Certificates, Licenses, or Registrations:
