Job Summary:

The Arkansas Game and Fish Commission (AGFC) Game Warden is responsible for enforcing AGFC regulations within an assigned area. This position is governed by state and federal laws and agency policy.

Typical Functions:

Patrols assigned area to detect violations of Game and Fish Commission regulations as applicable to fish/wildlife management, Commission issued licenses, stamps, tags and permits, hunting safety requirements, and statutes as related to boating registration/safety and littering.

Investigates public complaints concerning fishing, hunting, and boating. Assists and/or conducts boating accident investigations. Collects evidence of violations, issues citations, and seizes equipment used illegally. Testifies in court as necessary concerning arrests. Prepares and presents public service announcements for the media pertaining to agency policies, regulations, safety, and wildlife management. Prepares and presents programs to schools and civic clubs on agency issues. Conducts hunter safety and boating safety classes.

Maintains regular contact and establishes working relationships with city, county, and state law enforcement agencies, media personnel, school officials, and the general public.

Assists other agencies and divisions in collecting statistical information and research, as required or requested. Prepares and submits various reports as required by agency policy, enforcement division procedures, and/or supervisory directives.

Cleans and maintains assigned equipment and complies with semi-annual maintenance reviews. Successfully completes all required in-service and semi-annual firearms training.

Performs other duties as assigned.
