Job Summary:

The AGFC Summer Internship program helps students gain education and practical experience related to conservation and the hands-on training requirements necessary for some degrees in the conservation field. This training is critical to students pursuing a conservation career and is often the deciding factor in gaining employment after college.

### Typical Functions:

The AGFC Enforcement summer intern will work with AGFC Game Warden officers in the performance of their everyday duties. This may include a variety of activities depending upon the area of the state assigned. This hands-on experience will provide the student the opportunity to determine if Enforcement is the career path they would like to pursue, and if they can adapt to working in all types of weather, on weekends, and on holidays. They will also realize the importance of initiative and motivation in this career, as well as maintaining Officer Safety at all times.

By the end of this educational internship, the intern should have received experience in the following AGFC Enforcement-related work areas:

- Boating – A familiarity with boating laws and an ability to recognize violations, as well as a developed understanding of the proper time for a warning versus a citation
- Fishing – Identify fish species, know limits, prohibited methods and different types of fishing including commercial activity
- Littering – Identify subjects who litter and develop patience watching sites and documenting the evidence for court proceedings
- Criminal Code – Know the codes most encountered, as well as the time and need for action.
- Recognize Game Wardens as Certified Law Enforcement Officers who are sworn to uphold all the laws of the state and to promote officer safety
- Assisting Other AGFC Divisions – Work with Fisheries, Wildlife Management, and Education Division(s) within the AGFC to support the AGFC mission statement and work collectively towards meeting the AGFC strategic plan.

### Specific Duties and Responsibilities:

The Arkansas Game and Fish Commission Law Enforcement Division offers upper-level and graduate students the opportunity to gain practical knowledge and experience in the Wildlife Law Enforcement Field. The selected applicant will work under the coordinated direction of the Enforcement Training Administrator, Law Enforcement District Captain, and Telecommunications Supervisor performing various duties as assigned.

He/she will have the opportunity to work with local Game Wardens in the field performing routine patrols by vehicle, boat, or on foot. These duties may also include attending public meetings and viewing court proceedings. At no time will an applicant be involved in any potentially dangerous situations. The selected applicant will also have the opportunity to learn assorted telecommunication procedures used by law enforcement applications and become familiar with Arkansas Game and Fish Commission Regulations and established Law Enforcement Division procedures.

### Certificates, Licenses, or Registrations:

None

Special Job Dimensions:

AGFC interns are paid \$13.00 per hour and work approximately 40 hours per week (no more than 400 hours for 10 weeks).
