Intern positions will be available from May to August. Flexible work schedules can be established with your division supervisor.

PLEASE SEE "SPECIFIC JOB DIMENSIONS" BELOW FOR THE LIST OF DOCUMENTS THAT MUST BE UPLOADED WITH THIS ONLINE APPLICATION. YOUR APPLICATION WILL BE DESIGNATED "INCOMPLETE" UNTIL ALL THREE DOCUMENTS ARE RECEIVED.

Preferred Education and/or Experience:

- University, community college, or trade school student with one year of courses completed or recent graduate of a 2 or 4 year institution in a conservation-related field/degree.
- Must be willing to work Saturdays and summer holidays if the facility is open

Knowledge, Abilities, and Skills:

Required skills may vary depending on the AGFC position and division. The following skills are typically required for conservation-focused AGFC internship positions:

- Knowledge of the procedures and methods used in documenting wildlife investigations.
- Knowledge of the equipment and techniques used to maintain buildings, grounds and equipment.
- Knowledge of fish propagation, harvesting, cultivation, and maintenance activities.
- Knowledge of tissue and blood sampling techniques used in collection research.
- Knowledge of agricultural methods and basic land laws.
- Knowledge of timber marking, land surveying, and other related forestry techniques.
- Ability to collect samples of wildlife, perform fish hatchery, prepare reports, maintain files, and present oral and written information.
- Ability to operate and maintain wildlife equipment.
- Ability to present confidently to diverse groups and host hands-on experiences in a classroom and in the field.
- Understanding the North American Model of Wildlife Conservation.
- Must have demonstrated leadership skills, possess excellent organizational skills, and work well as a team member.

Preferred Knowledge, Abilities, and Skills:

Intern should:

- Be interested in pursuing a career in a conservation-related field
- Be a quick learner, and be willing to undergo on-the-job training
- Have prior knowledge of Arkansas native flora and fauna, and a love for the outdoors (strongly recommended).

Other preferred skills:

- Skill in outdoor-related activities such as hunting, fishing, hiking, etc.
- Ability to present educational and recreational programs to audiences of all ages
- Excellent verbal and written communication skills
