Preferred Knowledge, Abilities, and Skills:

NONE

POSTING DETAILS:

Position Location:

City: Centerville

Office: Petit Jean River WMA Work Center

Division: Wildlife Management

Job Summary:

The AGFC's internship program allows students to gain practical experience and meet hands-on training requirements necessary to earn their degrees and gain valuable career-oriented experience.

Program Goals and Opportunities:

The AGFC Internship program is designed to help students gain education and practical experience related to the conservation work AGFC performs and to meet hands-on training requirements necessary for students to earn their degree. This training is critical to students pursuing a conservation career and is often the deciding factor in gaining employment after college.

Typical Functions:

Inspects forest lands for damage by insects or disease, assists in implementing plans or recommendations for control measures, and prepares plans for site preparation or improvement of planting, harvesting, marketing, or wildlife use. Conducts or assists in conducting research on collected samples, such as fish, blood, water, soil, and plant species, and examines animals and specimens to detect diseases or other problems. Conducts agricultural and forest management activities on wildlife management areas, including preparing seed beds and plant foods; selects and marks trees for thinning and/or logging utilizing soil erosion control measures and maintains waterways, dams, and ponds. Monitors and inspects public and private wildlife to ensure compliance with state regulations and trains various personnel in activities, such as fire safety, accident prevention, and maintenance and calibration of scientific and technical equipment. Gathers, provides, and presents general and forestry educational information and training to various federal, state, local health officers, community organizations, and the general public. Provides technical support and services for scientists and engineers working in fields, such as agriculture, environmental science, resource management, and biology. Assists in conducting fish and game propagation and maintenance activities, including monitoring of spawning, hatching, incubation, sexing, and feeding. Prepares reports pertaining to wildlife findings, conclusions and recommendations. Cleans, maintains, prepares, and supplies work areas. Performs other duties as assigned.

Specific Duties and Responsibilities:

- (1) Assist field personnel in conducting wildlife surveys in accordance with statewide species plans to determine population trend information for management recommendations, including:
 - a. Assist, and/or complete independently, spring quail call counts.
 - b. Assist field personnel in completing bear bait stations survey(s).
 - c. Assist field personnel in capturing and radio collaring adult female black bears to obtain reproductive and recruitment information.
 - d. Assist field personnel in trapping and banding wood ducks and giant Canada geese.
- (2) Assist the Nuisance Bear Coordinator in handling nuisance bear complaints.
- (3) Assist in the implementation of established natural resource management projects on multiple Wildlife Management Areas including:
 - a. Assist field personnel in feral hog eradication on Wildlife Management Areas
 - b. Assist field personnel in operating, maintaining and monitoring green-tree reservoirs, and moist soil units.
 - c. Assist field personnel in operating, maintaining and monitoring wildlife openings and old field systems.
 - d. Assist field personnel in maintaining and monitoring ongoing upland and bottomland forest management projects.
- (4) Operating GIS/GPS equipment, chainsaws, tractors, boats, power units, ATVs/UTVs, and other farm implements.

Certificates, Licenses, or Registrations:

NONE

Special Job Dimensions:

Internships are no more than 400 hours for 10 weeks amounting to roughly 40 hours per week at a rate of \$12.75 per hour. Intern positions will be available through June, July, and August. Flexible work schedules can be established with your division supervisor.

REQUIRED DOCUMENTATION:

Please upload and attach to this application:

1. A current resume.
2. A one-page cover letter to include goals, interests, and how an AGFC internship will help accomplish those goals.
3. A copy of your unofficial or official college transcript(s). Official transcripts will be required prior to employment start date.

IF THESE DOCUMENTS ARE NOT ATTACHED YOUR APPLICATION WILL BE DETERMINED INCOMPLETE UNTIL THEY ARE RECEIVED.

If you are unable to attach your documentation you may email them to NYKKI.ALLRED@AGFC.AR.GOV, attention with the position name and position number in the subject. All documents must be received by March 31, 2023.

Other Specific Information:

SALARY:

\$12.75 per hour (maximum of 400 hours). Flexible work schedule available during May, June, July, and August.

APPLICATION PROCESS:

Please scan and attach:

1. A current resume.
2. A one-page cover letter.
3. A copy of an official of college transcript(s).

All applicants are subject to a criminal background check.

All applicants are subject to a criminal background check.

As an equal opportunity employer, the Commission will make any reasonable accommodations necessary to ensure equal employment opportunities.
